BRAMLEY SPECIAL UPDATE

Problems with Landlines and Mobile Phone Signal in Bramley

Bramley Parish Council want to collate a list of residents experiencing problems with their landlines, broadband and mobile phone signal in Bramley following the recent fuel leak, which is causing delays in repair work being carried out by Openreach and other phone providers. We can then aim to assist with expediting the repairs.

If you do not have a working phone line or mobile signal or you are aware of any vulnerable neighbours who do not have a working landline and would be unable to communicate in an emergency please email the Parish Clerk clerk@bramleyparish.co.uk with your details and the problem you are experiencing.

If you are experiencing issues please ensure you have contacted your service provider in the first instance and that you also report this to Openreach on bramley-incident@openreach.co.uk
Best wishes
