## Planning review meeting comments

<b>Address</b>	HONEYGREEN BARN SMITHBROOK HORSHAM ROAD CRANLEIGH GU6 8LH
<b>Proposal</b>	Construction and relocation of fencing and pedestrian gate access including change of use of land to residential land of Honeygreen Barn.
<b>BPC Response</b>	Bramley Parish Council strongly objects to this application. A previous planning application WA/2022/01404 shows a recessed boundary alongside the public footpath. The current application WA/2024/01052 shows a straight line. The historically wider stretch of footpath has been in use for more than 20 years (possibly hundreds) and narrowing this stretch with a fence has detracted severely from the pleasant aspect that has been enjoyed by so many people over many years. Adjusting the boundary to incorporate a stretch of land over 2m in width appears purely an opportunistic land grab by the current owner to neaten his property boundary. Bramley Parish Council request that the landowner be required to remove the fence and restore the footpath to its pre-existing condition.
